# A Taterland Christmas

Hosted by:

**THE TATERLAND FOUNDATION**

*Please help us make this Christmas special  
for children and families in need!*

The Taterland Foundation was founded by Thom Brede and three generations of his family located throughout the U.S. Our mission is to improve and brighten the lives of children and families in need. Thom started the foundation with a simple goal: to provide warm coats and a holiday present for needy children in the small town where his family farm is located within Scott County, Kentucky. The need is absolutely overwhelming! Thanks to generous support from friends within the horse show community, last year we were able to provide over 350 winter coats to needy children and adults, as well as holiday gifts, Christmas dinners, firewood, and school supplies.

*Our dream is to make sure every child has a gift under the tree.*

*Please help us make this dream a reality by donating a new, unwrapped toy, book or coat for a child of any age.*

The Taterland Foundation is 501(c)(3) non-profit organization. Your donations are fully tax deductible. For more information about the Taterland Foundation or our programs, please contact Thom Brede at (502) 545-2628 or Jessica Brede at (240) 277-1997. Our email is [taterlandfoundation@gmail.com](mailto:taterlandfoundation@gmail.com). We gladly provide tax receipts for your generous donations.

*Thank you for helping us to make this a joyous Christmas  
for children and families in need!*

# GENERAL INFORMATION, RULES AND REGULATIONS

## CONDITIONS OF COMPETITION

**“EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.”**

Life, senior active and junior active members shall be eligible to participate in all classes at Regular Competitions, Eventing Competitions at the Preliminary Level or above and Combined Driving Competitions at the Advanced Level, Dressage, Reining and Vaulting Competitions and Endurance Rides. A nonmember may participate as a handler, rider, driver, owner, lessee, agent, coach or trainer at Regular Competitions, Eventing Competitions, Dressage Competitions, Reining Competitions and Combined Driving Competitions upon payment of a \$30 Show Pass fee. Participants in the following classes are exempted from the Requirements of this rule: 1) leadline; 2) exhibitions; 3) games and races; 4) classes for 4-H members; 5) walk trot and academy classes (academy classes are classes limited to horses used regularly in a lesson program); 6) USDF introductory level tests, pas de deux and quadrille classes; 7) NRHA Endorsed Reining Competitions. 8) Opportunity classes, 9) citizens of other nations who have proof, in English, of current membership in good standing of their own National Federation, 10) USEA beginner novice division; and 11) assistant handlers in Dressage Sport Horse Breeding classes.

The Horse Show Management reserves to itself the right to limit entries in any class, section or division, to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit exhibition of entries, and cancel award prizes, without any claim for damages; to change any course to add a dotted line, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate judges; to change specifications in jumper classes as competition warrants.

Every horse entered herein for competition will be under the control of the Horse Show Management, but the show management will in no case be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall hold the horse show and the officials, employees, directors, officers, sponsoring entities of the horse show and the facilities at which the horse show is held blameless for any loss or accident to his horse(s), employee(s), or equipment which may occur from sickness, fire or other cause. Each horse entered will be assessed a \$8.00 drug fee + a \$8.00 USEF fee, which is forwarded to USEF.

**IMPORTANT EQUINE HEALTH REQUIREMENTS** - Queenie Productions, LLC management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute that healthy environment by following some basic recommendations listed below. Please monitor our website at [www.queenieproductions.com](http://www.queenieproductions.com) for any additional and possibly mandatory requirements.

- 1) **PROOF of NEGATIVE COGGINS** required for all horses within 12 months must be presented before numbers will be given out. This is a state law. Please renew it before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified or killed vaccine) no sooner than 7 days prior and no later than 90 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 90 days. Check with your veterinarian about which vaccine you use.
- 2) **VETERINARY CERTIFICATE of HEALTH** must be presented before numbers will be given out. Health certificate must be signed by a licensed veterinarian within 7 days of first arrival the National Equestrian Center, documenting that each horse has:
  - a. Received regular and consistent vaccination against Equine Influenza and EHV-1 & 4 with most recent booster being within 120 days and not within 7 days.

- b. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
  - c. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days.
- 3) Current vaccination against WNV, EEE, WEE, Tetanus, and Rabies is strongly recommended.
  - 4) You should be able to document your horse's normal temperature before arrival. Please do not ship horses with elevated temperatures. If there is an elevated temperature for more than a 24 hour period, please consult your local veterinarian immediately.
  - 5) Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a trailer/van, or moving from stable to stable is the fastest way to compromise your horses' health.
  - 6) Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Queenie Productions management. It is always better to err on the side of safety. Isolation stalls will be available on the grounds or at the local veterinary practice if the need arises.

### ADD/SCRATCH

ALL ADDS/SCRATCHES during the horse show must be made on the form provided in the horse show office before the classes begin. Classes entered the day of will be charged \$10 per add slip. When valid notification is received, the entry fee will be refunded or dropped less a \$30.00 office processing fee. **STABLING FEES AND NOMINATING FEES WILL NOT BE REFUNDED UNDER ANY CIRCUMSTANCES. # USEF DEVELOPING RIDER PIPELINE BENCHMARKS & MARKERS

U.S. Children's Gold Medal Winning Team at 2015 FEI CSIO Wellington Nations Cup

## WHAT IS A BENCHMARK?

Benchmarks are used to compare an athlete's progress and performance against others in their age category. Benchmarks give you a goal which includes a range of levels.

(( Example: Jumping 1.20m to 1.25m between the ages of 12 to 14 years old ))

## WHAT IS A MARKER?

The Benchmarks achieved in an athlete's career lead to the ability to compete in Championships and Finals that require serious performance development. These competitions are labeled Markers. An athlete's top finishes in Marker competitions demonstrate their progress up the competition pipeline.
