The St. Louis National Charity Horse Show follows the guidelines of the State of MO and the United States Equestrian Federation to protect the health and safety of all the horses at the show. At the printing of the prize list, the following are the requirements for all horses entering the property.

1. All horses must have proof of negative coggins test performed within 12 months of the show.

2. All out of state horses must have a Health Certificate within 12 months of the show.

3. VEE vaccination within 14 days of entry on horses originating from states in which VEE has been diagnosed within the preceding 12 months. An entry permit is also required on horses from such states.

All horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within 6 months prior to entering the property. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management.

Documentation should consist of one of the following methods mentioned below. The frequency of the vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines be administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations, name of the vaccine and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of vaccine purchase which is signed by the owner, or agent with care, custody and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
