

Since last weekends show (update) was cancelled, here is the latest info.

We are getting a lot of support for this Memorial Day show. Lisa Smith & Manna Pro have committed a generous sponsorship. So far Pam & Andy are donating Orrel stirrups (2 sets), and Tom & Deb, Ernie & Tina, Bobby & Jonda, Ron V, Paul & Linda committed to sponsoring buckle(s). These awards will be given to the Amateur finalists.

Jennifer Horton is going to make "in memory" cards with sponsor noted (attached to the awards) if you want to give in memory of someone.

We also plan to have a memorial banquet/buffet on Saturday evening before the Open & Non Pro show case. The plan is to sell meal tickets (\$14 each+/-...or 4 for \$50?) which would also help offset the cost of the facility. Meal is traditional BBQ brisket and pulled pork and side dishes. This is still in the planning stages. Let me know how many tickets you think you want at our March and April shows or reply to this email.

The cost of the facility is \$2500 for the weekend (which does include sand). I'm hoping we can offset the cost of the facility so that EMCHA will have enough cushion to cover the cost of the September show (at this same facility) without asking for any more from the members.

Others have asked exactly how to help or contribute.

We need contributions for a few remaining awards. We need contributions to buy banners (your name will be on the banners). We need commitments for meal tickets. We need a banner and/or buckle committee or person(s) to oversee the ordering. You decide, any help is appreciated.

Your ideas or comments are welcome.
